

Casey LeBlanc

Baton Rouge, LA | (225) 328-8488 | caseyleblanco06@gmail.com | caseyleblanc.dev

EDUCATION

Louisiana State University (LSU), Baton Rouge, LA

Expected May 2029

Bachelor of Science, Biological Engineering

GPA: 3.7

Minors: Honors and Robotics

Related Coursework: Quantitative Biology in Engineering, Microbiology, Statics

EXPERIENCE

Community Playground Project Design Engineer

September 2026 – Present

Louisiana State University, Baton Rouge, LA

- Utilized Autodesk Fusion to design and develop playgrounds for communities in need
- Designed 3D mockups of playgrounds using Fusion

Undergraduate Student Researcher

April 2026 – Present

Aquatic Germplasm and Genetic Resources Center, Baton Rouge, LA

- Designed open-source hardware using Autodesk Fusion to assist in cryopreservation of aquatic species
- Utilized an extremely wide variety of additive manufacturing techniques such as FFF, SLA, and SLS to print, prototype, and troubleshoot devices
- Produced a wide variety of cryoprotectant solutions for different aquatic species
- Maintained, repaired, and managed several resin (SLA) printers
- Wrote software in C++ and Python for an open source, Arduino-based thermocouple data logger (TURTLE Logger)
- Coordinated with other labs to develop specialized cryopreservation devices and pathways
- Performed various husbandry tasks with aquatic species such as axolotls

Help Desk Employee

May 2024 – May 2025

Central High School, Baton Rouge, LA

- Repaired and performed maintenance on the school's fleet of Chromebooks and various electronic devices (printers, projectors, etc.)
- Managed and maintained multiple Ender 3 S1 3D printers for student print jobs
- Instructed and led students in repairing and cataloguing over
- Answered calls, communicated with parents/guardians, and teachers to fix tech issues
- Created step-by-step guides for other Help Desk members on how to perform various tasks, such as ordering parts as well as filing and sorting Chromebooks

Barista

June 2023 – April 2024

CC's Central, Baton Rouge, LA

- Operated a Toast Point of Sale system to process cash and credit transactions
- Assisted with inventory management, cataloguing supplies and restocking when needed
- Prepared a full menu of espresso and blended drinks according to recipes

SKILLS

CompTIA IT Fundamentals+

Autodesk Certified User: Inventor

Autodesk Fusion

Additive Manufacturing (FFF, SLA, SLS)

MATLAB

Python

JavaScript, HTML, CSS (see my WIP website at caseyleblanc.dev)

Microsoft Excel

ACTIVITIES & HONORS

Student Peer Mentors, Biological Engineering Student Organization, Dean's List
